

## 2017 R2V "Road to Victory" Program:

The goal of this is to get out and ride, experience some new sites, support your local dealers, and support the BVR club. There are two different chances to win....one for the rider with over 10k miles and one for under 10k miles. Here is how it works and what you need to do to be a part of the challenge:

First, you must submit a picture via text or email to me of your odometer at the beginning of the riding season. No picture – no points given for mileage! (Text to Jim Dever.)

Second, to qualify for points you must either post picture on the BVRRC Facebook page or text picture to myself, JD. For qualified dealer points, please just email or text me a copy of receipt with Dealers name on it. (Please do not post dealer receipt points on the BVRRC Facebook page) Please include the points earned as well as your total points for the year so everyone can track your progress. This must be done in real time, so NO sandbagging! If you are not on Facebook, please text picture to Jim D.
